Great! Then if <http://www2.epa.gov/goldkingmine/gold-king-mine-watershed-fact-sheet> looks OK in the morning, you can just have Jeff Morin publish this version of the home page:

<https://wcms.epa.gov/node/104989/revisions/221429>

Sleep well, everyone—even if it ends up being everyone's FIRST night of good sleep LOL!  
☺

Cheers,

Tim

Hi again!

Melissa and I just wanted to see if the attached PDF is OK to go. It sounded like it was, but I noticed that the email threads got this one mixed up with the Navajo Nation fact sheet that I just posted.

So...If it's OK to post, should I add it as another bulleted link from "**Fact Sheets**" at the bottom right corner of <http://www2.epa.gov/goldkingmine>?

And call the link something like: **Gold King Mine – Watershed Fact Sheet**

Does that all sound good?!? ☺

Thanks!
